

STAN MACKEWICZ Assistant Vice President, General Manager San Francisco

Stan rejoined Harsch in 1998 and, along with a very hard working dedicated staff, has strived to serve over 200 highly regarded medical dental professional tenants at the 450 Sutter Medical Dental Building in Downtown San Francisco. Stan has more than 20 years experience working with medical dental professionals as well as an additional 15 years managing Class A commercial high rise buildings in San Francisco. Stan received a Bachelor of Science Degree in Industrial Relations from the University of San Francisco. He currently serves on the Building Owners and Managers Codes Committee and is a director for the Union Square Association and a director for the Good Samaritan Resource Center.
