Tenant Selection Plan and Screening Criteria

1. Project Eligibility Requirements:

- a. *Project specific Requirements:* Head of household must be sixty-two years of age or disabled.
- b. *Citizenship Requirement:* H.U.D. does not provide assistance to non-citizens with ineligible immigration status. We require applicants to complete citizenship declaration forms and submit evidence of citizenship or eligible immigration status prior to moving into the property.
- c. *Social Security Number Requirements:* All household members must disclose and provide verification of the complete and accurate Social Security Numbers (SSN) assigned to them. The SSN requirements do not apply to individuals who do not contend eligible immigration status and individuals age 62 or older as of January 31, 2010 whose initial determination of eligibility was begun before January 31, 2010. If the applicant is unable to disclose/verify the Social Security numbers of all non-exempt household members, the applicant will be determined ineligible. If the applicant is otherwise eligible and the only outstanding verification is that of "disclosing and providing verification of the SSN" the applicant will retain their place on the waiting list for a 90 day period during which the applicant is attempting to obtain documentation. If 91 or more days have elapsed and applicant has not provided documentation the applicant is determined to be ineligible and will be removed from the waiting list.
- d. *Student Eligibility Requirements:* Households comprised entirely of full-time students are not eligible with four exemptions: 1) All of the students are entitled to file a joint federal income tax return, 2) the household consists of a single parent with custody of school age child/children, 3) the household receives assistance under the T.A.N.F. program as such program activities and participation are related to families with dependent children, 4) the tenant(s) in the household are enrolled in and receiving assistance under the Workforce Investment Act (WIA) or similar governmental job-training program.

2. Income Limits: We accept applicants who meet the Very-Low and Extremely-Low Income requirements for Multnomah County. Current income limits are available at the office.

3. Procedures for Accepting Applications and Selecting from the Waiting List:

- a. An applicant must submit a completed Application for Admission & Rental Assistance to be placed on the waiting list. A completed application requires that all fields be filled in accurately and completely. If the application is incomplete the application will be returned to the applicant and his/her name will not be placed on our waiting list.
- b. Current State or government issued picture identification is required that states the date of birth of the applicant.
- c. If an applicant needs help filling out the application please notify our office and we will assist the applicant with the application process.
- d. Each applicant will be required to qualify individually. Persons intending to occupy the same apartment must submit separate applications.
- e. Our building maintains two separate waiting lists for applicants; 1) Sixty-two and older, and 2) Under the age of sixty-two and disabled. All vacancies are filled from these lists.
- f. Position on the waiting list is determined by eligibility, preferences, and the date/time on which a completed application is received at the office.
- g. The applicant must notify the office in writing if any of the information on their application changes.
- h. If we are unable to contact the applicant due to an unreported change, they will be removed from the waiting list.

- i. Each applicant will receive a letter approximately once per year asking you to indicate that you are still interested in remaining on the waiting list. You must reply in the affirmative to the letter to remain on the waiting list. If you do not reply you will be removed.
- j. Apartments are rented to eligible persons in the order of receipt of their application. If the applicant refuses the apartment they are offered, they can choose to be removed from the waitlist or moved to the bottom of the waitlist. An applicant can request to be moved to the bottom of the waitlist one time. If they wish to be moved to the bottom of the list again they will be asked to fill out a new application.
- k. If the application is approved and the applicant accepts the available unit, they will be required to sign a rental agreement in which they will agree to abide by all of our rules and regulations.
- l. A security deposit is required equal to one month's rent and utilities or \$50.00 whichever is higher.
- m. Current tenants of this property are not eligible to be placed on the waiting list.

4. Procedures for Applying Preferences:

- a. Our contract with H.U.D. requires that we fill vacancies with applicants from the sixty-two and older waiting list first. If there are no qualified applicants on that list, then we will fill vacancies from the waiting list for applicants who are disabled and under the age of sixty-two.
- b. H.U.D. requires that no less than 40% of the admissions to any project assisted through the Section 8 Project-Based program in any fiscal year must be Extremely Low-Income households. Income targeting will be analyzed annually to ensure the 40% target is met. In keeping with H.U.D. Income Targeting Policies, applicants whose incomes are below the Extremely Low-Income limit (30% of the area median income) may receive preference over another applicant in a higher position on the waitlist when a unit becomes available. To implement this preference the first Extremely Low-Income applicant on the waiting list will be selected for the available unit (which means "skipping over" some applicants with higher incomes). Once we have met our 40% Extremely Low-Income requirement in a given fiscal year we will select the next eligible applicant currently at the top of the waiting list, regardless of income level, for the next available unit.

5. Applicant Screening Criteria:

- a. *Rental Requirements:* Three years of eviction-free rental/residential history is required. Rental history reflecting more than \$500.00 in damages will result in denial, regardless of settled debt. Rental history demonstrating documented noise, disturbances, or other complaints will result in denial when the manager would not re-rent. Rental history reflecting past-due rent will result in denial unless the debt has been settled and the manager would re-rent. All Applicants must disclose if they are currently receiving H.U.D. housing assistance. The owner/agent will not knowingly assist applicants who will maintain another residence in addition to the H.U.D. assisted unit. The owner/agent will use the Enterprise Income Verification System (E.I.V.) to determine if the applicant or any member of the applicant household is currently receiving H.U.D. assistance. Nothing prohibits a H.U.D. housing assistance recipient from applying to this property, however, the applicant must move out of their current property and/or forfeit any voucher before H.U.D. assistance on this property will begin. Special consideration to this rule applies to recipients of H.U.D. assistance in another unit who are moving to establish a new household when other family/household members will remain in the original unit.
- b. *Credit Requirements:* Good credit will be required for an unconditional approval. If negative or adverse credit is reported, the following criteria will be used:
 - i. Outstanding bad debt of more than \$3,000 reported on the credit file will result in denial, unless the debt is a verifiable medical expense, or the debt is a bankruptcy and no negative information has been reported since the bankruptcy.
 - ii. Ten or more past-due accounts on the credit file will result in denial.
- c. *Criminal Convictions:* When an applicant's name approaches the top of the waiting list, a search of public records will be conducted to determine whether the applicant or any proposed tenant has been convicted of, or pled guilty to or no-contest to, any crime. The following shall be grounds for denial of the rental application:
 - i. A conviction, guilty plea or no-contest plea, ever, for any felony involving serious injury, kidnapping, death, arson, rape, sex crimes including child sex crimes, extensive property

damage or drug-related offenses (sale, manufacture, delivery or possession with intent to sell), class A/Felony burglary or Class A/Felony robbery;

- ii. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last seven years for any other felony charges;
 - iii. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last seven years for any Class A misdemeanor or gross misdemeanor involving assault, intimidation, sex related, drug related (including sale, manufacture, delivery or possession), property damage or weapons charge;
 - iv. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last three years for any Class B or C misdemeanor in the above categories or any misdemeanor involving criminal trespass I, theft, dishonesty, or prostitution.
 - v. Applicant is subject to a lifetime sex offender registration requirement in any state.
- d. Pending charges or outstanding warrants for any of the above will result in a suspension of the application process until the charges are resolved. Upon resolution, if an appropriate unit is still available, the processing of the application will be completed. No unit will be held awaiting resolution of pending charges.
 - e. *Alcohol or Drug Abuse:* Any applicant whose abuse, pattern of abuse, or current use of alcohol or drugs interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents will result in denial of the rental application.

6. Live-in Aide Screening Criteria: Current rental/residential reference and your last three years of rental/residential history will be verified. Three years of eviction-free rental/residential history is required. Evictions due solely to nonpayment of rent will not result in denial as live-in aids are not responsible for rental payments at our property. Rental history reflecting more than \$500.00 in damages will result in denial, regardless of settled debt. Rental history demonstrating documented noise, disturbances, or other complaints will result in denial when the manager would not re-rent. Applicants subject to a lifetime sex offender registration requirement in any state will be denied.

7. Occupancy Policy: Occupancy is based on the number of bedrooms in a unit. A bedroom is defined as a space within the premises that is used primarily for sleeping, with at least one window and a closet for clothing. Two persons are allowed per bedroom with one additional person for any additional living space such as separate living room.

8. Unit Transfer Policy: Transfers from one apartment to another will only be granted for medically necessary reasons in conjunction with a reasonable accommodation.

9. Rejection Policy:

- a. Incomplete, inaccurate, or falsified information will be grounds for denial.
- b. Any individual who may constitute a direct threat to the health and safety of an individual, the complex, or the property of others will be denied.
- c. If the application is rejected due to unfavorable information received on the applicant's background investigation, they will receive a letter from our screening company detailing the reason/s they were rejected. After they receive the report, they may:
 - i. Contact our screening company to discuss their application.
 - ii. Find out the name of the credit reporting agency which is reporting the unfavorable information and correct any incorrect information through the credit reporting agency as per their policy.
 - iii. Request that the credit reporting agency submit a corrected credit check.
- d. Upon receipt of the correct and satisfactory information, the application will be reevaluated for the next available unit. If, after the applicant has contacted our screening company, they continue to feel that they qualify as a resident under the criteria set out above and they wish to discuss the rejection of their application, wish to request a Reasonable Accommodation, or if they wish to make a discrimination complaint they should write a letter to: Park Tower Apartments, Equal Housing Opportunity, 731 SW Salmon St, Portland, OR 97205. In the letter, please explain the reasons

the applicant believes their application should be approved and request a review of their file. If applicant is requesting a Reasonable Accommodation, please include that in the letter. The applicant has fourteen days from the date of rejection to respond in writing or to request a meeting to discuss the rejection of your application. Within five working days of receipt of the applicant's letter, their application will be reviewed and they will be notified in writing of the outcome of the review.

10. Policies to comply with Section 504 of the Rehabilitation Act of 1973 and Fair Housing Act Amendments of 1988:

- a. Section 504 prohibits discrimination based upon disability in all programs or activities operated by recipients of federal financial assistance.
- b. We do not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.
- c. The person named below has been designated to coordinate compliance with the nondiscrimination requirements contained in the Department of Housing and Urban Development's regulations implementing Section 504 (24 CFR Par 8 dated June 2, 1988. - e. We are willing to make and allow reasonable accommodations for reasonable changes to the units and common areas that will provide accessibility to all residents. The applicant or tenant must seek the landlord's written approval before making any modifications. Each request will be evaluated under state and federal law to determine who will be responsible for the cost. Requirements for modifications include:

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.
